

A detailed still life painting of a feast. The scene is filled with various meats, including a large roasted bird in the center, a whole pig's head, and several smaller birds. There are also vegetables like artichokes and mushrooms, along with drinkware such as mugs and a pitcher. The background shows a window with a view of a landscape. The overall style is reminiscent of a classical still life painting. The text 'MEATS' is overlaid in a large, white, distressed font, with a dashed line below it.

EVENTS KIT

ABOUT

Tender, juicy and satisfying. At MEATS, we do it right. Stripping back the fuss, MEATS is a limited reservation, no service charge meat bar where you can roll up your sleeves and dig into a tender, juicy and satisfying feast with friends. We know how meat should be treated from start to finish, from expert preparation to precise carving.

Located on SOHO's Staunton Street, we offer a straight-forward menu of sharing-style dishes that include a series of regularly rotated plates such as rustic porchetta, fall-off-the-bone lamb shoulder, home-made sausage and rotisserie chicken. Traditional and unconventional cuts are prepared to bring out the best in flavour, using mastered techniques such as house-smoking, rotisserie and charcoal grilling. Dishes are served simply with raw sea salt or marinated with exciting ingredients ranging from jalapeños to Szechuan peppercorns and coffee. Drinks include an affordable selection of bourbons, draft beers, hand-crafted cocktails and wines by the glass/carafe.
